

# Document of objectives

---

Ariz AS aims to establish a global aid platform where aid projects and donors can meet within 2 years.

To achieve this, we must:

## 1 Build trust with stakeholders in the domain.

To accomplish this, we shall:

- 1.1 Deliver quality.
- 1.2 Be ourselves.
- 1.3 Participate actively in forums where stakeholders are present.
- 1.4 Celebrate the success of others.
- 1.5 Encourage high user involvement.

## 2 Establish a technical platform based on open source.

To accomplish this, we shall:

- 2.1 Recruit people who enjoy sharing.
- 2.2 Focus on competence and efficient processes.

## 3 Be a positive collaborator.

To achieve this, we shall:

- 3.1 Choose professional collaborators.
- 3.2 Have a business model that benefits partners.
- 3.3 Clearly define our purpose.

## 4 Be profitable.

To succeed in this, we must:

- 4.1 Establish effective management systems.
- 4.2 Implement sound decision-making processes.
- 4.3 Have high adaptability.
